

AFRICAN HOUSE

BALI - SEMINYAK

Behind the Oberoi hotel is a small lane, winding and quiet, connecting Jl Laksmana to Jl Dhyana Pura.

There, in between the busy streets, is to be found peace.

Amongst selected homes and burgeoning high end properties are to be found three charming houses: the African, the Round and the Pandan houses, all situated within a gated private lane.

The African house, first one in line, is composed of various pavilions revolving around a lagoon shaped pool and its large inviting deck.

The round thatched roof, the simplicity of the patined terrazzo and the colour theme throughout the house are reminiscent of a certain African feel...it might be here that Bali and Malindi meet in spirit.

Three independent bungalows are homes to lovely self-contained king size bedrooms; each with lush outdoors en suite shower rooms.

The remaining pavilion welcomes the spacious living space with its comfortable loungers and sofa. It bares an inviting view to the pool and the outdoor dining area to its side.

Behind the living, away yet connected, lays the kitchen enclave and its sunny walls.

With the beach a few minutes walk away, this is a great holiday house.
